GET IT NOW. USE IT FOR THE REST OF YOUR LIFE.

Cardmembership isn't just about how you spend your money—it's about how you spend your life. You'll have access to an exclusive collection of benefits and services you won't find anywhere else:

New, bigger airline discounts—for you *and* a friend.

You'll get five Travel Savings Certificates.* Three for roundtrip Coach class tickets anywhere Continental Airlines or Continental Express flies within the 48 contiguous United States (except Florida between February 12–April 30 and between June 15–August 25, 1995). All you'll pay is *$159 roundtrip for travel on your side of the Mississippi. Or $239 roundtrip when you fly across the Mississippi.*

You'll also save with a special Florida Certificate valid between February 12–April 30 and between June 15–August 25, 1995. *You'll pay just $239 for roundtrip Coach class travel between Florida and other destinations on the east side of the Mississippi, $299 between Florida and destinations on the west side of the Mississippi.*

You'll get an International Certificate worth *$50 off an international roundtrip Coach class fare of $400 or more; $75 off a roundtrip Coach class fare of $600 or more.*

And you can bring along a friend for the same low price you pay when you buy the tickets with the Card.

Free long distance with MCI.

Get up to 30 minutes of free long distance calling with MCI every month for a year—without changing long distance companies. Just use the Card as your calling card and get savings of up to $44 a year.**

Savings from famous names.

Our Value Certificates help you save on many of the things you want, from J. Crew, Software Etc., the Princeton Review and more. *And these aren't one-time-only offers.* You'll get new offers every year you renew your Cardmembership while you're in school—and even after you graduate and start your career.

Once you're a Cardmember, you'll see how we can make your life easier. You'll get a level of *service you can count on*—no matter where you are in the world. And since you pay your bill in full each month, *you won't pay automatic interest charges.*

What's more, getting the Card now is probably easier than it will ever be—*because we're relaxing the usual requirements just for students.* So apply now. And spend a lifetime enjoying all the great things only the Card can offer you. All for just $55 a year.

*To be eligible, you must apply for the Card by July 31, 1995. For domestic travel, reservations must be made and tickets charged to your Card account within 21 days of travel, maximum stay is 14 days and must include a Saturday night. For international travel, reservations must be made and tickets purchased at least 7 days prior to travel or as required by the fare purchased, whichever is earlier. A minimum 8-day stay is required and must include a Saturday night. Seats at these fares are limited. American Express makes these certificates available solely as a service to its Cardmembers and incurs no liability in connection with their use or non-use. Continental is directly responsible for the fulfillment of this offer and the delivery of travel services. Your Travel Savings Certificates, along with complete terms and conditions, will be sent to you upon credit approval.

**A credit of up to $3.70 for long distance phone charges will appear on each billing statement for 12 months after enrollment. $3.70 is equal to the charge for a domestic 30-minute night/weekend MCI Card Compatibility call and appropriate surcharge. Call from any phone, using the American Express Card as your calling card. You must enroll by July 31, 1995. MCI is a registered service mark of MCI Telecommunications Corporation.

All questions in regard to fees, fee payment, refunds, and appeals should be directed to the Bursar's Office, Room 176 Administration Building or by calling the Bursar's Office at (901) 678-2243.

Fees are subject to change without notice. The University will usually collect the amount of fees due at the time of registration and during the adding and dropping of classes in accordance with the residency classification and fee rates in effect. After all enrollments are complete, any over-collections will be refunded and students will be billed for any under-collections.

Interested students should pick up the Permission of Department Permit Form from the department, obtain the appropriate signatures (including their academic advisor) and bring the Permission of Department Permit to registration.

DISABLED AUDIT and CREDIT REGISTRATION

Persons suffering from a permanent disability which totally incapacitates them from working at an occupation which brings an income and who are domiciled in Tennessee, may **AUDIT** courses without paying tuition charges, maintenance fees, student activity fees, or registration fees. Permission to AUDIT will be limited according to space availability. They may enroll in courses for **CREDIT** at the cost of one-half the normal per credit hour fee, not to exceed $75.00 per semester. University Health Services shall examine certification of permanent disability and determine the eligibility of the applicant. This determination will allow the student credit from the time proper certification of permanent disability is approved through University Health Services.

Inquiries concerning these programs may be addressed to Registration and Scheduling, Room 167, Administration Building, 678-2675.

GRADE REPORTS

A grade report is mailed to the permanent address of each student at the end of the semester. The grade report will show the grade received, credit hours earned, quality points earned, semester grade point average, cumulative hours attempted, cumulative hours earned, and overall grade point average.

Withholding of Grade Reports

The University is required by State law to withhold grade reports, transcripts, and diplomas from students who have outstanding financial obligations to the University. When financial obligations have been resolved, students may obtain their grade reports in Student Information Services, Room 119, Administration Building. Photo identification is required prior to release of grade reports.

PROBATION/SUSPENSION - UNDERGRADUATE

(ACADEMIC STATUS AND RETENTION)

Students will be notified of their academic status at the end of each semester through their official grade report Students who do not receive their grade reports in the mail should pick up a copy of their grades in Room 119 of the Administration Building.

A complete statement of the University's academic status and retention policy may be found in the Bulletin. Specific questions concerning academic probation/suspension should be directed to the Academic Status and Retention Services Office, Room 117, Administration Building.

Regardless of academic status, students will be allowed to select classes for the following term. However, students whose grades result in an academic suspension will be automatically withdrawn from the University

before classes begin. If the grade report indicates suspension, see below for the required time out of the University prior to readmission.

UNDERGRADUATE ACADEMIC RETENTION SCALE

Cumulative Hours Attempted	Minimum QPA
0 - 14.99	No Minimum
15 - 29.99	1.40
30 - 50.99	1.70
51 - 67.99	1.90
68 and above	2.00

REPETITION OF COURSES

A student may not attempt the same course more than three times for the purpose of obtaining a passing grade or higher grade. Exceptions to this limitation may be made by the dean of the college from which the student intends to graduate. These exceptions must by approved prior to the student's registration for the fourth and any subsequent attempts of the same course.

The student's quality point average will be computed as follows:

Number of Attempts	Grade(s) Included In Computation
1st	Original grade earned
2nd	Only grade in 2nd attempt
3rd and subsequent	Grade earned in 2nd attempt averaged with grade(s) earned in ALL subsequent attempts

The record will continue to reflect all grades earned in the same course.

In order for completed additional undergraduate course work to be transferred from another university and recorded on the student's permanent record, the student must request that an evaluation be completed by Undergraduate Admissions, 678-2111. For information about the transfer of graduate credit contact the Graduate School, Room 315 Administration Building, 678-2531.

VIII. MISCELLANEOUS INFORMATION

EXPOSURE TO HAZARDOUS CHEMICALS AND RADIOACTIVE MATERIALS

During the course of the semester, some classes and laboratories may use hazardous chemicals, radioactive materials or radiation producing equipment.

Prior to enrolling for classes each semester The University of Memphis recommends that students with health concerns or conditions seek private medical advice about the appropriateness for them to enroll in classes and laboratories using hazardous chemicals, radioactive materials or radiation producing equipment. The state of the art at this time is not sufficient to provide complete information about all possible side effects and health hazards, known and unknown which could develop from the exposure to and use of such hazardous chemicals, radioactive materials and radiation producing equipment.

During regular University business hours Material Safety Data Sheets (MSDS) for hazardous chemicals are available for review through the office of the chair of the department in which such chemicals are used. MSDS are also available for review at the office of the Radiation Safety Officer, 110 Brister Tower. Information about exposure from radioactive materials and radiation producing equipment may be obtained from the Radiation Safety Officer.

VA EDUCATIONAL BENEFITS

IT IS THE STUDENT'S RESPONSIBILITY TO BE AWARE OF AND FULFILL ALL REQUIREMENTS FOR RECEIPT OF GI BILL BENEFITS.

Any student using VA Educational Benefits Assistance (GI Bill Benefits) at The University of Memphis should contact the Office of Veteran's Services (Room 119, Administration Building 678-2996). New students should be prepared to furnish the following items: as needed an original VA certified copy of their DD 214, or other armed forces separation papers, a copy of their Delayed Enlistment Contract, copies of their children's birth certificates, a copy of a divorce decree if either vet or spouse was previously married, their VA file number if benefits have been used previously, and a transcript from any college or university previously attended.

The VA places restrictions on those receiving veterans educational benefits. Some of these restrictions include regular class attendance, satisfactory academic progress, and adherence to a specific degree program. The VA will not pay for repeated courses if the grade already earned is acceptable for graduation requirements and major objectives at this University (this includes transfer credit), or for elective courses in excess of those needed to meet graduation requirements.

Certification Reminders

(1) Register with the Office of Veterans Services every semester by completing a Veteran Data Sheet and Certification Request.
(2) Report credit allowed for prior training in cooperation with your advisor by completing a "Request for Reevaluation of Prior Credit" form. These forms are available from the Office of Veterans Services.
(3) Inform the Office of Veterans Services of any changes in major or degree pursued, address, marital status, or number of dependents claimed.
(4) After registering, report to the Office of Veterans Services immediately all changes in class schedules including adds, drops, section changes, canceled courses, and withdrawals.
(5) Obtain a degree posting sheet/formal degree plan from your adviser, and furnish a copy to the Office of Veterans Services, as well as keeping a copy for your personal files.

For more information on eligibility requirements, monthly pay rates, and other services available, contact the Office of Veterans Services.

HARASSMENT POLICY

Policy

It is against University policy to harass or to discriminate against any member of the University Community on the basis of sex, race, color, national origin, age, or disability and/or veteran status.

Such actions are prohibited not only by University Policy, but also by Title VII of the Civil Rights Act of 1964 as amended, and Title IX of the Educational Amendments of 1972. Other types of harassment are prohibited by applicable law. Violation of these Acts may subject the University and/or individuals to disciplinary action and may have legal consequences.

Harassment is reprehensible and will not be tolerated by the University. It subverts the mission of the University and threatens the careers, educational experience, and well-being of students, faculty and staff. Incidents involving sexual harassment, racial harassment or discrimination have no place within the University. In both obvious and subtle ways, even a suggestion of sexual or racial harassment is destructive to individual students, faculty, staff, and the academic community as a whole. When, through fear of reprisal, a student, staff member, or faculty member submits or is pressured to submit to unwanted sexual attention, the University's ability to carry out its mission is undermined.

Sexual harassment is especially serious when it threatens relationships between teacher and student or supervisor and subordinate. In such situations, sexual harassment exploits unfairly the power inherent in a faculty member's or supervisor's position. Through grades, wage increases, recommendations for graduate study, promotion, and the like, a teacher or supervisor can have a decisive influence on a student's, staff member's or faculty member's career at the University and beyond.

While sexual harassment most often takes place in situations of a power differential between the persons involved, the University also recognizes that sexual harassment may occur between persons of the same University status. The University will not tolerate behavior between or among members of the University community that creates an unacceptable work or educational environment.

A. Sexual harassment is defined as unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature when one of the following criteria is met:
   1. submission to such conduct is made either explicitly or implicitly a term or condition of the individual's employment or of the individual's status in a program, course or activity; or
   2. submission to or rejection of such conduct by an individual is used as a basis for employment decisions, a criterion for evaluation, or a basis for academic or other decisions affecting such individual; or
   3. such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or educational experience or creating an intimidating, hostile, or offensive work or educational environment.

B. Sexual harassment encompasses any sexual attention that is unwanted and can take many forms, but most sexual harassment falls into three categories: verbal, visual, and physical. Some examples of behavior or conduct that may constitute sexual harassment include, but are not limited to:

   1. Refusing to hire, promote, or granting or denying certain privileges because of acceptance or rejection of sexual advances
   2. Promising a work-related benefit or a grade in return for sexual favors
   3. Suggestive or inappropriate communications, notes, letters, or other written materials displaying objects or pictures which are sexual in nature that would create hostile or offensive work or living environments
   4. Sexual innuendoes, comments, and remarks about a person's clothing, body or activities
   5. Suggestive or insulting sounds
   6. Whistling in a suggestive manner
   7. Humor and jokes about sex that denigrate men or women
   8. Sexual propositions, invitations, or pressure for sexual activity
   9. Implied or overt sexual threats
   10. Suggestive or obscene gestures
   11. Patting, pinching, and other inappropriate touching
   12. Unnecessary touching or brushing against the body
   13. Attempted or actual kissing or fondling
   14. Coerced sexual intercourse
   15. Sexual assault

Whether the alleged conduct constitutes sexual harassment depends upon the record as a whole and the totality of the circumstances, such as the nature of sexual advances in the context within which the alleged incident occurred. Please note that sexual assaults may be criminal acts and as such, investigation and processing by the criminal justice system, local police, campus security, and crisis intervention centers may supersede the process developed under this Guideline.

C. Generally, racial harassment is defined as any person's conduct which unreasonably interferes with an employee's or student's status or performance by creating an intimidating, hostile, or offensive working or educational environment. Harassment on the basis of race, color, or national origin, includes offensive or demeaning treatment of an individual, where such treatment is based typically on prejudiced stereotypes of a group to which that individual may belong. It includes, but is not limited to, objectionable epithets, threatened or actual physical harm or abuse, or other intimidating or insulting conduct directed against the individual because of his/her race, color, or national origin. Title VII requires employers to take prompt action to prevent individuals from expressing their opinions in a way which abuses or offends their coworkers.

D. Generally, harassment on the basis of religion, disability, or other protected status includes any conduct which has the purpose or has the reasonably foreseeable effect of interfering with an individual's academic efforts, employment, or participation in institutionally sponsored activities. Such harassment also includes any activity which creates an intimidating, hostile or demeaning environment.

The University seeks to encourage the prompt reporting of such harassment and to its prompt resolution through University procedures. Where the charge of harassment is by one student against another student, the Assistant Dean of Students for Judicial Affairs, University Center, will investigate and resolve the complaint in accordance with appropriate student procedures. Other charges of harassment should be directed to the University Affirmative Action Officer, Administration Building, Room 160, for investigation and recommendations to the President and will follow guidelines set forth in University Procedure 2A:1204A.

In addition, the University will take steps towards and encourage the development of programs aimed at informing students and employees of their rights to be free from sexual harassment and the procedures available for reporting. Programs will also be developed and aimed at preventing harassment.

Procedure

The purpose of this procedure is to provide a clearly defined means of reporting and investigating the complaints of students, faculty, and staff where they believe they have encountered harassment as defined by the University policy. The final resolution of such complaints and the imposition of any appropriate sanctioning will be governed by existing University procedures as stated herein.

The President has assigned the University Equal Employment/Affirmative Action Compliance Officer the responsibility of investigating any complaint related to this procedure. The responsibility of investigating complaints against students has been assigned to the Assistant Dean for Judicial Affairs in accordance with appropriate student disciplinary procedures.

Since harassment based on race, sex, or any other factor has been defined as discriminatory in nature, the following will be implemented for the reporting of harassment:

A. Complaint by faculty member or staff against student - Procedure: Complaint to Assistant Dean of Students for Judicial Affairs for investigation and disposition.

B. Complaint by student against faculty member or staff; faculty member against staff; faculty member against faculty member or supervisor; or staff against faculty member, staff, supervisor or outside University contracting agency - Procedure: Complaint to University Affirmative Action Officer for investigation and possible disciplinary action by the President.

Procedures

The following procedures are intended to protect the rights of the aggrieved party as well as the party against whom an allegation of harassment is lodged, as required by state and federal laws. Each charge will be properly investigated and, when warranted, appropriate disciplinary action taken against the individual charged.

In situations that require immediate action, because of safety or other concerns, the institution can take any disciplinary action which is appropriate, e.g., suspension with pay, pending the initiation of the investigation by the EEO/AA Officer. The University Affirmative Action Officer and the President should be contacted in situations requiring immediate action. The TBR Office of General Counsel will be contacted before any immediate action is taken and prior to any investigation.

A. Preliminary Investigation

1. Any student, applicant for employment or employee who believes he or she has been subjected to harassment at The University of Memphis shall present the charge to the designated EEO/AA Officer responsible for compliance with Title VII of the Civil Rights Act of 1964 or Title IX of the Education Amendments of 1972.
2. The EEO/AA Officer will make every attempt to get the aggrieved party to provide the charge in writing. The charge shall include the circumstances giving rise to the allegations and the dates of the alleged occurrences. The charge shall be signed by the aggrieved individual and notarized. However, where the aggrieved individual refuses to sign a written charge, the EEO/AA Officer will still investigate the allegations, and recommend to the President appropriate action. Based on the findings of this investigation, the EEO/AA Officer may recommend to the President appropriate action which may or may not be the steps outlined in the remaining paragraphs of this guideline.
3. The EEO/AA Officer shall notify in writing the charged party within five (5) working days of receipt of the charge. The charged party shall respond in writing to the charge within five (5) days of notification.
4. The EEO/AA Officer may meet with both parties for the purpose of resolving the charge informally.
5. The EEO/AA Officer shall conduct an investigation of the charge and submit a report to the President, TBR EEO/AA Officer, and the parties within twenty (20) working days following receipt of the charge. Each report shall outline the basis of the charge, including the dates of the alleged occurrences, the response of the charged party, the findings of the EEO/AA Officer and all attempts to resolve the charge informally and recommendations regarding disposition of the charge. If following an investigation the EEO/AA Officer finds there is no substantial evidence to support the charge, the parties shall be so advised in writing.
6. If the investigation reveals that there is evidence to support the charge, the President may meet with the charged party and/or the charging party and attempt to resolve the problem by agreement. In addition, the charged party shall be advised of his/her right to a hearing pursuant to the procedures set forth below. A charged party may request a hearing within ten (10) days following receipt of the report.

B. Hearing

1. If the charged party requests a hearing, he or she shall be advised of hearing procedures available under Board of Regents Policy No. 1:06:00:05, Uniform Procedures for Cases Subject to Tennessee Uniform Administrative Procedures Act, and of the established University of Memphis procedures available for resolution of the matter in question. The party requesting a hearing shall be given the opportunity to elect the procedures pursuant to which the matter shall be heard.
2. When an individual elects to proceed under the established University procedures for resolution of the matter, the election should be in writing and signed by the individual making the election and should expressly waive the procedures available under the TUAPA as to the matter in question. When a party elects to proceed pursuant to established procedures at The University of Memphis, these procedures shall include the following minimal requirements:
   a. Notice of the charge to the party or parties.
   b. The right of the party or parties to present his or her case.
   c. The right to be accompanied by an advisor.
   d. The right to call witnesses in his or her behalf.
   e. The right to confront witnesses against him or her.

   In addition, in any case where the President makes a decision which is adverse to the charge or claim of either party, the President shall advise the person of any right of appeal provided by TBR policy.

3. Individuals electing to proceed under the TUAPA shall be referred to the appropriate University official responsible for commencement of actions under the TUAPA as provided in Board Policy No. 1:06:00:05.
4. When a charge involves a tenured faculty member, the same informal and formal procedures set out above shall be utilized. Tenured faculty members shall have the same right to elect hearing procedures as set out herein. Where the selected hearing procedure results in a finding that sexual harassment exists and the President determines that the harassment constitutes adequate cause for termination, then the matter will proceed under either The University of Memphis policy for termination of tenure or TBR policy 5:02:03:00. Under TBR policy the matter shall proceed under section III.16 on page 15 of 19.

PRIVACY RIGHTS OF PARENTS & STUDENTS
NOTICE TO STUDENTS

The Family Educational Rights and Privacy Act of 1974, with which the University intends to comply fully, is designed to protect the privacy of education records, to establish the right of students to inspect and review their education records, and to provide guidelines for the correction of inaccurate or misleading data through informal and formal hearings. Students have the right to file complaints with The Family Education Rights and Privacy Act Office concerning alleged failures by the institution to comply with the Act. A copy of the Act and The University of Memphis Procedure - Privacy of Education Records - may be read in the offices of the Registrar or the University Counsel.

Disclosure of Education Records

The University of Memphis shall not permit access to or release of any information in the Education Records which is specifically identifiable as referring to any student, other than Directory Information, without verification of the written consent of the student to any party other than those listed in the Student Records Access Procedure.

Directory Information

"Directory Information" is defined as: the student's name, address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, the most recent previous education agency or institution attended by the student, the student's enrollment status (number of enrolled hours, full- or part-time status), and the student's classification (level).

Restricted Release of Directory Information

After a student registers for courses, the student may personally complete a written request in Student Information Services (Room 119, Administration Building) that directory information for that student not be released. This notification is effective only for the one semester for which the student is then registered. Such information will then be withheld if the form is completed by the 14th day of classes.

Access to Records

To gain access, the student must request the custodian of the records to allow perusal of the education record according to the University Procedure for Student Records Access which contains a list of the custodians of the records. A student must present proper identification in support of his/her request. Parents of dependent students as defined in the Internal Revenue Code Section 152 may obtain access to a dependent student's record after presenting appropriate documentation.

THE UNIVERSITY OF MEMPHIS'S POSITION ON DRUG AND ALCOHOL USE BY STUDENTS

A. In accordance with local, state and federal laws and with University Regulations promulgated in accordance with the Tennessee Board of Regents policy, students are prohibited from unlawfully processing, using, selling, manufacturing or distributing illicit drugs on University owned or controlled property. Also, students are prohibited from possessing, using, selling, manufacturing or distributing alcoholic beverages on University owned or controlled property.
   - At off-campus University sponsored (funded) events, students are prohibited from unlawfully possessing, using, selling, manufacturing or distributing illicit drugs. Alcohol shall not be abused by those of legal drinking age, nor used, possessed or distributed by those who have not attained drinking age.
   - Additionally, students are prohibited from being under the influence of illegal drugs or alcohol while on University owned or controlled property or while attending any University sponsored (funded) activity.

B. Under the laws of the state of Tennessee, a person convicted of the unlawful possession, use, or distribution of an illicit drug or alcohol may face a fine ranging from fifty dollars ($50) to $500,000 and may face imprisonment ranging from thirty (30) days to sixty (60) years. Dependent on the offense and its classification, the fine and imprisonment may vary but will be within the limits noted. Descriptions of the offenses and sanctions listed are located in the Tennessee Code Annotated (T.C.A.) in section 39-17-401 through 427 and in sections 40-35-101 through 504.
   - Under the laws of the United States, a person convicted of the manufacture, distribution or possession of any controlled sub-stance may face a fine of up to $100,000 and may face imprisonment of up to one (1) year for Schedule V drugs, and a fine of up to $400,000 and life imprisonment for Schedule I drugs. Dependent on the offense and its classification (according to the schedule of the drug), the sanction may vary but will be within the limits listed above. These sanctions are doubled when the offense involves either (i) distribution or possession at or near a school or **college campus** (emphasis supplied) or (ii) distribution to persons under 21 years of age. Additional sanctions include civil fines of up to $10,000 for simple possession and loss of eligibility for federal benefits. Descriptions of offenses and sanctions are located in the United States Code (U.S.C.), title 21, sections 801 et seq.

C. The use of illicit drugs or alcohol may result in a variety of health problems. Excessive use of alcohol, for instance has been shown to result in damage to the heart and liver; impairment of brain activity, digestion and blood circulation; impairment of judgment, memory and motor skills; and ultimately may lead to death.
   - The use of illicit drugs has been shown to cause organic damage, impairment of physiological processes, and impairment to mental functioning. Risks of contracting hepatitis, AIDS and other infections increases when illicit drugs are injected. The use of illicit drugs may also lead to death.

D. The University of Memphis students have access to a wide variety of drug or alcohol related counseling/assistance programs, both on and off campus. On campus services, which are entirely free to students, include the Center for Student Development's Psychological Counseling Unit, the University's Health Center and the Department of Psychology's Counseling Services (Psychological Service Center). For more information on campus based services, contact the Center for Student Development at 678-2067.
   - Off campus programs to assist the substance abuser range from groups dealing with addictive behaviors - such as Alcoholics Anonymous - to full service, in-patient programs operated by local hospitals or health-related concerns. These programs may be contracted either directly or through referral by The Center for Student Development; although, none are operated with the assistance of the University.

E. Violation of University Policy as stated in Section A above will result in disciplinary action being taken against the responsible student. A violation may result in a sanction ranging from a simple warning and referral for treatment to a full suspension or expulsion from the University and may also result in referral for prosecution by local, state or federal authorities. For a more detailed view of the disciplinary process, see the **Student Handbook** section on student discipline ("Code of Conduct") or contact the Office of Judicial Affairs at 678-2298.

The main lobbies of residence halls are open from 7:00 a.m. to 12:00 midnight each day. After midnight, the residence hall lobbies are restricted to student residents and Residence Life staff. Visitation hours are established by a two-thirds majority of the residents of each individual hall at the beginning of each Fall semester. In any case, visitation hours may not exceed 12 hours (12:00 noon to 12:00 midnight) on weekdays and 14 hours (12:00 noon to 2:00 a.m.) on weekends. For more information concerning the residence hall visitation policy, consult the Residence Hall Application Reservation brochure available in the Office of Residence Life and Visitor Information Center.

3. The Department of Public Safety employs 30 commissioned peace officers. University Police Officers attend a basic police academy and an in-service training program in conformance with the requirements of the Tennessee Peace Officers' Standards and Training Commission. The University Police Officers' commission authorizes them to enforce state law on campus and on contiguous streets, and to investigate crime occurring on campus or against the University. Students are encouraged to promptly report crime and suspicious activity through various crime awareness and prevention programming sponsored by the Department of Public Safety and the Division of Student Affairs, including New Student Orientation and Residence Life programming. Students are further encouraged to report criminal activity as outlined in various University publications, including the Student Handbook and the Campus Safety and Security brochure.
4. The Department of Public Safety and the Division of Student Affairs sponsor on-going programming on crime prevention and safety awareness. Programming includes skits, videos, self-defense presentations and discussions presented to various student organizations and groups, resident students, and new students during orientation. This programming, as well as literature published by the University, encourages students to adopt safe behaviors and attempts to foster a sense of personal responsibility for safety among all members of the campus community.

5. The University of Memphis Department of Public Safety receives a monthly Integrated Computer Apprehension Program (ICAP) report of criminal offenses committed in the general neighborhood surrounding the University from the Crime Analysis Unit of the City of Memphis Police Department. Reported offenses include aggravated assault, sexual assault, robbery, burglary, larceny, and motor vehicle theft. The Memphis Police Department is notified of all felony crimes that occur on campus. Any sexual assault of a The University of Memphis student that is reported to the Department of Public Safety is also reported to the Memphis Police Department, whether the offense occurred on or off campus. The Tennessee Bureau of Investigation is also notified of any criminal activity deemed to be of special interest.

6. The sale, consumption or possession of alcohol or illegal drugs is prohibited on the campus of The University of Memphis and at any University sponsored student activity. Violators of this policy are subject to arrest and disciplinary action by the University. Further information regarding the University's policy on alcohol and drug use is contained in the Student Handbook in the sections entitled "The University of Memphis's Position on Drug and Alcohol Use", "Residence Life", and "The Code of Student Conduct" and in this schedule of classes.

PARKING REGULATIONS

The U of M Parking Office is located at 3918 Central Avenue. Regular office hours are 7:00am - 6:00pm, Monday - Friday, 678-2212.

Campus Traffic and Parking Regulations are available in the Parking Office, 3918 Central Avenue, the Office of Judicial Affairs, University Center, and the Visitor's Information Center located at the corner of Patterson and Central.

Every vehicle parked on campus property must have a parking permit (hangtag and semester validation sticker) properly displayed. Parking meters have been placed in parking lots around the University for the use of visitors. Parking permits (hangtags) are permanent and are designed to hang from the inside rearview mirror post but may be transferred to a replacement vehicle when the registered vehicle is not available. A temporary parking permit (hangtag) must be purchased from the Parking Office when you forget to transfer the regular hangtag. Parking permit fees range from $19 - $200 based on the level of parking desired. **If you lose your hangtag, a replacement fee of $10.00 will be charged. A lost or stolen permit (hangtag) must be reported to the Parking Office.** For additional information, telephone the Parking Office at 678-2212.

Parking lots are either Priority (gate access), Reserved, General, Resident, or Visitor. All University owned streets are reserved for Resident or Visitor parking. A parking sign is erected at the entrance to each lot and University owned street indicating the use of that lot or street.

Priority (gate access) lots have a limited number of spaces. These spaces are sold for either day or evening use and a parking space is virtually guaranteed. Applications for gate access parking are available in the Parking Office or in the Fee Payment Center during registration.

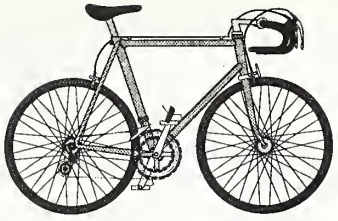
Vehicles must be parked within parking spaces delineated by white lines. Improperly parked vehicles may be towed at owner's expense. The issuance of a parking permit (hangtag) does not guarantee a parking space on University property. The inability to locate a legal parking space does not diminish the responsibility to park in accordance with University parking regulations.

Visitor parking is provided in spaces where parking meters are installed in various locations around campus or in the Parking Garage located at Deloach and Norriswood Streets. Visitor Parking Permits (hangtags) are available at the Parking Office or Visitor Information Center for a fee of $1.00 per day. These permits allow parking at metered spaces without additional payment or in the General parking lots. The Visitor Information Center is located at Patterson Street and Central Avenue and the Parking Office is located at 3918 Central Avenue.

Garage parking is available Monday through Friday at Deloach and Norriswood streets. Garage parking is $.50 per hour or a daily rate of $2.50. Parking permit (hangtag) holders will be provided a discount rate per day.

University Police officers, parking assistants, faculty members, or staff employees are not empowered to allow anyone to violate the traffic and parking regulations. Storing articles of value (including radar detectors) in parked automobiles is discouraged. However, if articles must be left in an automobile they should be placed out of sight and/or located in the trunk. The University of Memphis does not assume responsibility for loss of personal property.

Motorists may obtain assistance or information from any campus officer on patrol or by calling 678-4357 (MSU-HELP), or by using any emergency telephone located at various sites across campus and in the lobbies of most academic buildings.



Bikes

by Matthew Anderson

Unless you're one of the chosen few lucky enough to own a car (although some people don't consider car payments, insurance, gas, maintenance and parking fees lucky), your basic mode of transportation is probably a bicycle.

There's a lot to be said for bicycle ownership. Biking is great for the environment and for your body; parking's never a hassle; you don't need expensive insurance; and you never have to buy gas. Even maintenance is affordable, especially if you do some of it yourself.

Below are some basic maintenance tips that every bike owner should know and follow:

CLEANING: On a monthly basis, wipe down the frame with a damp cloth to get rid of built up dirt and grime that can erode the paint job or rust a steel frame. At the same time, clean tire rims and brake pads with rubbing alcohol. Excess grit reduces the effectiveness of your brakes. ***TOOLS:*** cloth, rubbing alcohol, water

TIRE PRESSURE: Proper inflation increases the life of your tires, helps avoid rim damage and provides a better ride. Check your tire pressure regularly to catch slow leaks that could leave you stranded. Correct pressure for your particular tires can be found on the side of each tire. Also cup your hand around the tire (preferably while wearing a glove) and spin the tire to remove small bits of glass and detritus that could cause a flat. ***TOOLS:*** tire pump, glove (optional)

BRAKE ADJUSTMENT: You're speeding down the hill on your way to class when all of a sudden a car darts out in front of you. You quickly apply your brakes but nothing happens... Don't let this happen to you. Brake pads should be checked regularly for any wear and tear. Remove any dirt or grime embedded in your pads with rubbing alcohol and a piece of fine-grit sandpaper. Replace badly worn or deteriorated pads immediately. ***TOOLS***: cloth, rubbing alcohol, fine-grit sandpaper

DRIVE TRAIN: What can be more irritating than a noisy chain? Well, actually quite a few things, but this article is about bikes, so the answer is a noisy chain. A noisy chain may not appear to be a big deal, but it could actually be symptomatic of a poorly maintained drive train. A drive train consists of derailleurs, chain, free wheel and the crank set. Regular cleaning of these parts with a good degreaser and lubricating of the chain with a good non-dirt collecting lubricant will improve and increase your pedaling efficiency. A noisy drive train and/or difficulty in shifting could indicate poorly aligned derailleurs. Since this could be a tricky thing to fix, it's best left to your mechanic. ***TOOLS:*** biodegradable degreaser, lubricant, cloth, old toothbrush

BOLT TIGHTENING: When giving your bike a good cleaning, check to see that all bolts are snug. Losing a wheel or other bike parts while racing to take your Psychology final is no fun. ***TOOLS:*** allen wrench

Always remember that major repairs should be left to a trained mechanic, but if you follow the basic preventive maintenance tips outlined above, your bike and your wallet will thank you.

From one who's been hit through no fault of his own, always remember to ride defensively and wear a helmet.

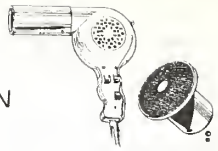
HAIR



BY MOLLY CURRAN

Get up. Jump in the shower (maybe). Race to class. Go home. Change your clothes (maybe). Dash to work. Go home. Study, study, study some more. Go to sleep (maybe). Say, when's the last time you had a haircut?

A haircut? What's that, you ask? Sure it's been a while, but you remember the stuff on top of your head—that mass of protein (among other things)—protecting your scalp. Could it stand a little attention?

Choosing the right place to get a haircut and the right person to do the honors can be difficult, especially if you're either attending college out of state or just too far from your regular dip joint back home. Here are a couple ways to help avoid a hairy experience during your next trip to the barber or salon.

- Be realistic when choosing a style. Both men and women can look through magazines for inspiration. But pay attention to the length and texture of the hair you like. Stick with the type of hair similar to your own, unless you're willing to chemically change your hair.
- If you see someone on campus or around town with a great cut, ask the name of his or her salon and stylist.
- Going for something a bit more drastic than just a little off the top? If you're thinking about perming or changing the color of your hair, ask the salon you're considering for a free consultation with one of the technicians. If this request is denied you might want to take your business somewhere else.
- Don't let anyone talk you into something you're even the slightest bit apprehensive about. It's your head, your money and your time—probably months to grow out a science project that used to be your hair. A good technician or stylist won't try to talk you into something you don't want, no matter how *of the moment* blue hair is.
- The condition of your hair reflects your well-being; your health, your diet and personal hygiene, as well as your personal style. If you're tired of the *look* of your hair, but not the style and want a change without a cut, salons offer a variety of products designed to improve the appearance of your hair from the outside—you control the other things.

If you still think it's easier to go without the basic trim than to gamble with a new salon or barbershop, try walking by a couple places you're considering and rely on your impressions. Also, places such as your college course directory advertise salons which may offer coupon specials or student discounts, a great way to get acquainted with a new salon.

COMPUTERS

BY CLAY KNOWLES

Computers are like cars. Everybody's got different needs. Some people want speed, some size. Some want all the bells and whistles, others just need something to get them from point A to point B.

With this in mind, the best thing to do when considering the purchase of a computer system, is figure out the following: 1) What do I want a computer for in the first place? Do I want it for word processing, games, Computer Aided Design (CAD), Spreadsheets, Databases, etc.? And 2) once you know what you want to do with it, what software do you want to do it with? By establishing these two criteria, you'll be able to determine, much more easily, what computer to buy, because the software you choose will have basic requirements of your system. Larger, more complicated programs like CAD and some Windows programs will require more memory and larger hard disk space.

Once you know what your needs are and what software you want, you should give serious consideration to the following hardware options and how they can effect your system:

RAM (Random Access Memory): Without getting too technical, this is basic working memory of your system. Again, the software you use will affect how much RAM you need. If you're planning to use Windows software you should have at least 4MB (megabytes). If you have 8MB or 16MB your machine can work more efficiently, especially if you are running multiple operations simultaneously. In general, more is better. 4MB should be fine for basic Word-processing or Spreadsheets in Windows.

Hard Disk/Drive: This is the drive that keeps all of your favorite programs loaded and ready to go on your system. The bigger the Hard Drive the more programs you can keep at your finger tips. The more sophisticated programs being developed today are bigger and can take up a lot of space. Just a few Windows programs and a couple of games can eat up 100MB of space. If you're going to run Windows and plan on keeping up with new releases, a 300 MB or bigger Hard Drive is a good place to start.

The CPU and Clock Speed: The CPU is the Central Processing Unit and the Clock Speed is the speed at which it runs. You may have heard of a 386 or a 486 machine. This is in reference to the CPU. The software you choose to run on your machine will have requirements as to which type of CPU to use and possibly the clock speed at which it runs. In general, the faster the CPU and the Clock Speed the more efficient your computer will be at running your software. A 486 machine is a good place to start for running Windows software.

So when you're ready to buy, remember, computers are like cars. Take your time. Shop around. Talk to friends who already own one. Read the computer magazines. And most importantly, take 'em for a test drive.

We encourage you to understand some important information about the Citibank Classic card.

Annual Percentage Rates	
Variable Rate Information for Purchases	Currently (February 1, 1995): 17.90% for purchases. The annual percentage rate for purchases may vary each calendar quarter. We will calculate the variable rate by adding 9.4% to the rate disclosed as the U.S. Prime Rate reported in *The Wall Street Journal* on the third Tuesday of March, June, September and December of each year. Because the annual percentage rate is variable, the current rate may not be in effect when your card is issued. The rate will not be lower than 12.9% or higher than 19.8%. However, if a cardmember fails to keep all his/her Citibank accounts in good standing, the rate will increase to 19.8% on the full purchase balance.
Annual Fee	None
Grace Period for Repayment of Balance on Purchases	20-25 days
Minimum Finance Charge	50¢
Method of Computing the Balance for Purchases	Average Daily Balance (including new purchases)
Transaction Fee for Cash Advances	At a financial institution or by check, 2% of amount of advance but not less than $2 or more than $10. At an Automated Teller Machine, $1.75.
Late Payment Fee	$15
Over-the-Credit-Limit Fee	$10

The information about the services and fees of the card described in this application is accurate as of February 1, 1995. The information may have changed after that date. For further information, write to Citibank (South Dakota), N.A., c/o Citicorp Credit Services, Inc., P.O. Box 6030, Hagerstown, MD 21741.

By signing this application, I authorize Citibank (South Dakota), N.A. ("you") to check my credit history and I authorize any references listed to release information to you or any of your affiliates regarding my eligibility for the Citibank credit card and any renewal or future extension of credit. I certify that I am 18 years or older and that the information provided is accurate. If I am issued a card, I authorize you to exchange information about how I handle my account with Citibank affiliates, credit bureaus and proper persons. If I request an authorized user to be added to my account, I understand that account information will also be reported to credit bureaus in the authorized user's name. I authorize your affiliates to perform certain customer service and payment processing functions for my Citibank credit card account. I also authorize you and your affiliates to periodically exchange information regarding any account I may have with you or your affiliates. I understand that if I use the card or authorize its use or do not cancel my account within 30 days after I receive the card, the Citibank Agreement sent to me with the card will be binding. Omission of any of the information requested in this application may be grounds for denial.**
